

# 2012 Voters Guide & Sample Ballot

APRIL 23-26, 2012

UCSB CAMPUS ELECTIONS COMMISSION  
Online Spring Election 2012

\*\* Passage of the referenda on the ballot does not constitute final approval of the project. The chancellor and the University of California Office of the President must approve all referenda. In addition, all major capital building projects must be certified by the Regents for design, financing, and verification of the Environmental Impact Report, and are subject to review by the Campus Planning Committee, the Design Review Committee, and the California Coastal Commission. Fees for capital projects are based on an average undergraduate enrollment. Should enrollment drop unexpectedly, the mandatory student-imposed fees may have to be increased in order to maintain funding at a level to meet bond financing (loan repayment) requirements.

Note: There have been no new campus-wide fees proposed for the spring 2012 ballot.

### ONLY UNDERGRADUATES VOTE ON THESE TWO MEASURES:

#### Campus Learning Assistance Services (CLAS) Support Fee

Do you wish to continue a mandatory fee of \$6 per undergraduate student per quarter, including summer, to maintain the current level of CLAS group instruction, drop-in tutorials, and academic skills services?

The fee is in addition to the:

■ \$6 per undergraduate student per quarter, including summer, collected as an Associated Students lock-in fee, and  
■ \$16.16 (\$12 is for CLAS, \$4.04 is for return to aid, and \$0.12 is for administrative assessment) per undergraduate student per quarter, including summer, collected as a campus lock-in fee,  
for a total per undergraduate student per quarter fee of \$28.16 (fall, winter, spring, and summer).

If reaffirmed, the \$6 portion of the fee will be collected for four years and will be subject to reaffirmation in spring 2016.

\_\_\_ YES \_\_\_ NO

The CLAS Support Fee would help maintain group instruction, drop-in tutorials, and academic skills services at the current level. Nearly 9,000 students utilize CLAS services, logging in over 200,000 contact hours each year. CLAS serves students in all disciplines by offering an average of 640 tutorial groups, 5 drop-in centers, 336 academic skills workshops, and many consultation appointments per year. CLAS hires 75-125 undergraduates annually.

CLAS has taken a series of budget cuts due to the state budget crisis, while simultaneously experiencing increased demand and program costs. Demand for services remains strong across all disciplines. If we are to retain our current level of services and continue to grow to meet changing student needs, CLAS must maintain funding. For the cost of the CLAS support fee, the average student using CLAS receives 20-25 hours of tutorial services per quarter. In comparison, a student opting to hire a private tutor may pay \$60 for a single hour of tutoring. Helping CLAS maintain its open door policy ensures that every student has equal access to academic tutoring.

#### Student Health Support Fee

Do you wish to continue a mandatory fee of \$7 per undergraduate student per quarter, including summer, in order to maintain the current level of student health services?

The fee is in addition to the:

■ \$21 per undergraduate student per quarter (fall, winter and spring) and \$17 for summer currently collected through an Associated Students lock-in fee,  
for a total undergraduate student per quarter fee of \$28 (fall, winter, spring) and \$24 (summer).

If reaffirmed, the \$7 portion of the fee will continue for four years and be subject to reaffirmation in 2016.

\_\_\_ YES \_\_\_ NO

Student Health is designed specifically to serve UCSB students to support their success. This health fee:

■ Will help Student Health to maintain a wide range of medical services with an extensive staff of doctors, nurses, therapists, counselors, psychiatrists, pharmacists, dieticians, lab scientists, x-ray technologists, dentists, hygienists, and optometrists working to address the needs of our campus community.  
■ Will help maintain current hours of operation to include Thursday evenings, and offset rising costs.

All the following medical services are conveniently located on-campus:

- Same-day appointments

### GRADUATES AND UNDERGRADUATES VOTE ON THIS MEASURE:

#### UCSB/MTD Superticket Bus Program

Do you wish to continue a mandatory fee of \$13.13 per undergraduate and graduate student per quarter (including summer) to fund the UCSB/Metropolitan Transit District (MTD) Superticket Bus Program? Any fee increase will be indexed to the MTD adult fare. The contract will be subject to reaffirmation in spring 2016.

\_\_\_ YES \_\_\_ NO

■ **TRANSIT SYSTEM FEE AND ADULT FARE INDEX.** The current per student per quarter transit fee for unlimited MTD bus service is \$13.13. The student transit fee is indexed to the MTD adult fare. If the MTD adult fare were to rise, the student transit fee would rise proportionately.

■ **BUS ACCESS.** MTD will continue to accept UCSB registration cards with a current quarter validation sticker. In winter and spring quarters, or for the period of one week prior to the first day of classes, through the end of the second week of classes of each quarter, MTD will also accept a registration card validated for the previous quarter.

■ **SUMMER ACCESS.** Students who are registered for Summer Session will continue to have unlimited ridership with MTD from one week prior to the start of Summer Session to the beginning of fall quarter by showing their registration card with the valid Summer Session sticker. Thus, students registered in all four quarters have access to year-round transportation.

■ **CONTRACT REAFFIRMATION.** If students reaffirm this fee, the contract will continue in effect until cancellation by either UCSB or MTD. However, a reaffirmation of this contract and fee by ballot voting will occur every four years.

■ **CONTRACT AND BUS SERVICE.** The current contract between UCSB and MTD does not specify the level of bus service, e.g., number of bus lines or hours. The contract does state that MTD must notify UCSB of any proposed service changes and hold a public forum at a location convenient to UCSB community. These public forums must be advertised in the Daily Nexus. MTD will also notify the presidents of Associated Students and Graduate Students Association when changes have been implemented that affect Goleta, Isla Vista, and/or UCSB.

#### THE ELECTION IS ONLINE!

**How to vote:** Go to <https://survey.ucsb.edu/elections/>, and follow the directions. The link is also provided on the UCSB GOLD system when you log in. You may vote on any computer with Internet access. Public access computer banks are located at the SRB, UCen, Davidson Library, and many residence halls. Any difficulty voting should be reported to [elections@survey.ucsb.edu](mailto:elections@survey.ucsb.edu).

These campus-wide measures will be on the ballot along with candidates for A.S. offices and A.S. fee reaffirmation items. Graduate students will vote on a separate ballot. Be sure to be a registered student by April 20, 2012, to be eligible to vote!

#### PRO/CON STATEMENTS

All registered students are invited to submit written statements of support or opposition for publication in the Daily Nexus. Pro/Con statements must include the author's name and be submitted electronically to [suzanne.perkin@sa.ucsb.edu](mailto:suzanne.perkin@sa.ucsb.edu) by 5 p.m. on Wednesday, April 11, 2012. Statements are limited to 350 words and will appear in the Daily Nexus on Wednesday, April 18 and Thursday, April 19.

#### VOTER TURNOUT REQUIREMENTS

A minimum 20 percent voter turnout is required in order for the election to be considered valid. A reaffirmation fails if 60% + one of the voters vote "no."

**Definition of RETURN TO AID:** The return-to-aid surcharge, 25% of the total fee charged, is assessed to every campus-based, student-initiated, new mandatory fee and increase to an existing fee. The surcharge is used by the campus to cover need-based financial aid for UCSB students whose financial aid awards would not otherwise cover student-imposed mandatory campus fees. The fee applies to undergraduate and graduate student fees.

**Definition of ADMINISTRATIVE ASSESSMENT:** The administrative assessment, currently 7% of the base fee charged, is assessed to non-capital expenditures for every campus-based, student-initiated, new mandatory fee and increase to an existing fee.

The assessment is used by the campus to cover the administrative costs of collecting, accounting for, and disbursing the student-imposed mandatory campus fees. The assessment applies to undergraduate and graduate student fees.
